Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO publishes patent applications or 18 months from the earliest claimed filing date. The USPTO will delay the publication of a patent application made available to a defense agency under 35 USC 181 until no earlier than 6 months from the filing date or 90 days from the date of referral to that agency. This application will be cleared for publication 6 months from the filing date or 90 days from the above Date Referred, whichever is later, unless a response is provided to the USPTO regarding the necessary recommendation as to the imposition of a secrecy order.

Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose security has been made or a security order has been rescinded.

Instructions for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

35 USC 184 (b) (1) states: "If the Secretary of Defense determines that the disclosure of information contained in an application for a patent would be injurious to the national defense, he may, in his discretion, suspend the operation of section 184 (a) of this title for a period of not more than 6 months from the date of the determination. This suspension shall be subject to the condition that the applicant for the patent shall, within the period of 6 months from the date of the determination, file with the Secretary of Defense a statement of the reasons why the information should not be withheld from the public. If the Secretary of Defense determines that the information should be withheld from the public, he may, in his discretion, suspend the operation of section 184 (a) of this title for a period of not more than 6 months from the date of the determination. This suspension shall be subject to the condition that the applicant for the patent shall, within the period of 6 months from the date of the determination, file with the Secretary of Defense a statement of the reasons why the information should not be withheld from the public. If the Secretary of Defense determines that the information should be withheld from the public, he may, in his discretion, suspend the operation of section 184 (a) of this title for a period of not more than 6 months from the date of the determination. This suspension shall be subject to the condition that the applicant for the patent shall, within the period of 6 months from the date of the determination, file with the Secretary of Defense a statement of the reasons why the information should not be withheld from the public."
